

# QuickBooks Merchant Services

Last Modified on 03/31/2021 3:28 pm EDT

QuickBooks Merchant Services has been merged and is now QuickBooks Payments.

To learn more about this development head here:

All Orders does not support the new QuickBooks Payments and there are currently no plans to support it at this time.

## Solution: Check out Order Time!

Our cloud-based platform, Order Time, can connect to QuickBooks Enterprise/Premier/Desktop, QuickBooks Online, and XERO.

Order Time supports the new QuickBooks Payments as a Payment Gateway.
