# Multi-step OLE DB operation generated errors. Check each OLE DB status value, if available. No work was done--- Version 6.2.35 only (SO LIST)

Last Modified on 08/09/2021 1:42 pm EDT

If you are getting the below error in Version 6.2.35:

SAVE THE ATTACHED SCRIPT TO YOUR DESKTOP

Log in as admin --> go to FILE-->MAINTAIN-->ADVANCED--> RUN DB COMMAND--> Browse to the saved file--> select file--> run.
