ShipRush Error - MSFLXGRD.OCX not found

Last Modified on 03/31/2021 3:29 pm EDT

When you are in a Ship Doc and click on ShipRush -> View/Delete, then receive an error in regards to MSFLXGRD.OCX not found (line XXX)

1. Windows 7 does NOT include this OCX file, but previous versions of Windows do.
2. The OCX files needs to be downloaded and registered manually.

Solution:

http://support.microsoft.com/kb/2746232

1. Download the OCX file.
2. Place the OCX file in c:\AllOrders\OCX
3. Register OCX file.
a. REGSVR32 C:\AllOrders\OCX\MSFLXGRD.OCX
