

# "Method '~' of Object '~' Failed

Last Modified on 03/31/2021 3:29 pm EDT

"Method '~' of Object '~' Failed"

## CAUSE

You structured the parent child hierarchy of your items or customers.

## RESOLUTION

Go to Company - QuickBooks Sync - Selective Sync, Check all the boxes and press OK. This process may take a while so do not do during the busy time of the day.
