

Shipping complete

Last Modified on 03/31/2021 3:29 pm EDT

Shipping complete means that an entire order must be shipped at the same time and on the same ship doc in other words the order does not allow back orders. In order make a sales order ship complete UNCHECK the 'Allow back orders' box below the Order #. If you attempt to fill a sales order with back orders you will receive an out of stock error message.
