Error 2147220955: Quickbooks found an error when parsing the provided XML text stream.

Typically if you are receiving this error, there is a bad character located in one of your data fields.

Please review the data and see if you are able to locate the " bad character" and remove it.

If you are not, please contact customer support 866-278-6243 X 815 or email support@numbercruncher.com
