

How to Change your Logo in AOW

Last Modified on 03/31/2021 3:30 pm EDT

To change the logo in AllOrdersWeb, navigate to the following path:

`C:\inetpub\wwwroot\AOW\App_Themes\SmokeAndGlass\Images`

In this location, you will see a file named " logo.jpg"

This is the file that you are going to replace.

Save the image that you want to use as a the logo and name it " logo.jpg"

Drop the logo into the above location and choose " yes" to replace the existing file.
